10th Anniversary

Carrefour des Communautés du Québec

The Arts, Trade & Profession Medal Ceremony

The Arts, Trade and Profession Medal Ceremony will be held at the Holiday Inn Select, 99 rue Viger, Montreal, (Metro Station: Place-d'Armes) from 6:30 pm., on

Saturday, November 6th 2010.

This year's supper will be under the theme:

Respect and Trust

Since Carrefour's inception, we continuously worked for comforting respect and trust between all citizens of Quebec and Canada, without any distinction of language, race, religion, sex or political orientation. Carrefour, an apolitical and non lucrative entity, is not only achieving closer multi-cultural communities, but on several occasions has supported and enhanced social-economic momentums. Therefore our objective remains to recognize individuals for their contribution in the development of our society and economy. Honoring an individual during our Gala, is without a doubt, the strongest way of showing our solidarity toward the multi-cultural communities , as well as thanking a person for his or her commitment to achieve a successful integration in Quebec's and the Canadian society. In the past events we recognized 112 recipients and brought together about 2,600 people from various ethno cultural groups.

This year we will attribute:

- ◇ 1 Excellence Youth Award (an allocation of \$1,500 will be granted);
- ◇ 1 price of Integration –employment;
- ◇ 1 Excellence Commerce Award;
- ◇ 6 art and trade professions Medals (individuals) and
- ◇ 1 Oscar
